## LOUGHTON RESIDENTS ASSOCIATION

### ***LRA's Loughton News Special Alderton Hill to be closed this summer***

Alderton Hill Bridge is undergoing bridge strengthening work during the school summer break. **This means Alderton Hill will be closed to all traffic between Roding Road and Old Station Road.**

***The closure is from Tuesday 25 July to Friday 30 August.***

See [more on where the closure](#) is and [read detailed information from the County Council](#).

LRA Cllrs have been instrumental in getting Essex Highways to prepare better for this closure this year, particularly in getting the Brooklyn Avenue clearway better organised, in getting advance signs at Woodford Wells and the Wake Arms to deter through traffic, and a proper leaflet drop.

We advise residents wherever possible not to bring vehicles into Loughton town centre, and to walk or cycle if they can. Buses will also be affected.

- Route 167 will be diverted from the end of Roding Road via Brook Road/Brooklyn Avenue/High Road and Old Station Road. Cllr Chris Pond has asked that it serve all stops on the diversion route including the Crown, Sainsbury's and Forest Road.
- Routes 66 and 87 may also be affected.

Essex Highways say they considered working only at night, but the noise and disruption to residents nearby precluded that.

---

***And don't forget this Sunday - the [forecast](#) is for a sunny day at Jessel Green***
